

BUREAU VERITAS
Certification

SIBUR Holding PJSC

626150, Russia, Tyumen Oblast, Tobolsk, East Industrial Zone, block 1, № 6, Building 30

This is a multi-site certificate, additional site details are listed in the appendix to this certificate

Bureau Veritas Certification Holding SAS – UK Branch certify that the Management System of the above organisation has been audited and found to be in accordance with the requirements of the management system standard detailed below

ISO 14001:2015

Scope of certification

Management and operations for development and manufacture of dry stripping gas; natural gas liquids (NGL); stable gas naphtha; liquefied petroleum gases; hydrocarbon cuts; isobutene-isobutylene fraction (monomers); monomers; gas and petrochemical products; organic and inorganic compounds; organic chemicals; methyl tertiary butyl ether (MTBE); butadiene; isobutylene; synthetic rubbers; polymers; polyethylene; polypropylene; polyethylene terephthalate (PET); ethylene; propylene; propylene cut; benzene; butane-butylene fraction; liquid cracking products; heavy fuel oil; biaxially oriented polypropylene film (BOPF); non-oriented polypropylene film; synthetic nitrile butadiene rubbers; pipeline transportation of natural gas liquids (NGL), pipeline transportation of dry stripping gas; research and development in the petrochemical industry; testing of additives; analytical studies

Original cycle start date: **21 April 2017**

Expiry date of previous cycle: **N/A**

Recertification Audit date: **11 April 2017**

Recertification cycle start date: **21 April 2017**

Subject to the continued satisfactory operation of the organisation's Management System, this certificate expires on: **20 April 2020**

Certificate No. **RU229105E-U**

Version N.2 Revision date: 19 April 2018

Certification manager
JSC "Bureau Veritas Certification Rus"
Shipilov E.D.

0008

Certification body address: 66 Prescott Street, London E1 8HG, United Kingdom
Local office: Bureau Veritas Russia, 30, Marshala Proshlyakova St., "Zenith-Plaza", Moscow, Russia, 123458

Further clarifications regarding the scope of this certificate and the applicability of the management system requirements may be obtained by consulting the organisation.
To check this certificate validity please call: +7 (495) 2287848

APPENDIX 1 TO THE CERTIFICATE RU229105H-U

SIBUR Holding PJSC

626150, Russia, Tyumen Oblast, Tobolsk, East Industrial Zone, block 1, № 6, Building 30

ISO 14001:2015

Scope of certification

Management and operations for development and manufacture of dry stripping gas; natural gas liquids (NGL); stable gas naphtha; liquefied petroleum gases; hydrocarbon cuts; isobutene-isobutylene fraction (monomers); monomers; gas and petrochemical products; organic and inorganic compounds; organic chemicals; methyl tertiary butyl ether (MTBE); butadiene; isobutylene; synthetic rubbers; polymers; polyethylene; polypropylene; polyethylene terephthalate (PET); ethylene; propylene; propylene cut; benzene; butane-butylene fraction; liquid cracking products; heavy fuel oil; biaxially oriented polypropylene film (BOPF); non-oriented polypropylene film; synthetic nitrile butadiene rubbers; pipeline transportation of natural gas liquids (NGL), pipeline transportation of dry stripping gas; research and development in the petrochemical industry; testing of additives; analytical studies
